SUMMARY

David A. F. Morgan holds primary degrees in both Medicine and Surgery from the University of Queensland. He graduated with First Class Honours in 1976 and was Dux in his final year at Medical School. He was awarded a Bachelor's Degree in Medical Science following a year of research in Enzymology. In addition, he holds Fellowships in Orthopaedic Surgery with the Royal College of Surgeons of Edinburgh, and the Royal Australasian College of Surgeons. Dr Morgan is also a Fellow of the Australian Orthopaedic Association. He is the Director of the Queensland Bone Bank and is a past President of the Asia Pacific Association of Surgical Tissue Banks.

He is a Clinical Associate Professor within the Department of Surgery at the University of Queensland and has research links with the Biomedical Science and Engineering Unit within the Queensland University of Technology and the Department of Human Movements at the University of Queensland. He lectures regularly at State, National and International levels within his special areas of expertise in both primary and revision hip and knee replacement surgery.

Dr Morgan has exhibited a genuine and continuing interest in medicolegal assessments and reporting for more than two decades. He has extensive experience as an Expert Witness and frequently mentors professional colleagues on the intricacies of court performance and cross examination.

He holds appointments on the Health Practitioners' Tribunal, the Professional Misconduct Tribunal and the Department of Veterans' Affairs Advisory Panel. He is a Certified Independent Medical Examiner with the American Board of Independent Medical Examiners.

He is recognised universally as an objective, unbiased, balanced reporter who delivers a complete and all encompassing opinion devoid of ambiguity.

He is Past President of the Medicolegal Society of Queensland, as well as:

- Foundation Member of the Medicolegal Section, Royal Australasian College of Surgeons
- Member of the Medicolegal Group, Australian Orthopaedic Association
- Comcare Trained Assessor of Permanent Impairment
