#### SUMMARY

**Dr Ross Kennedy** has over twenty five years' experience as an orthopaedic surgeon. Having initially completed his education and training in Melbourne, Dr Kennedy worked in Darwin, as a Visiting Medical Officer and then later as the Director of Orthopaedics at the Royal Darwin Hospital, before commencing private practice in Brisbane in 2000.

Dr Kennedy is currently a senior visiting orthopaedic surgeon at Queen Elizabeth II Jubilee Hospital, as well as conducting private practice based at Greenslopes Private Hospital, and visiting Sunnybank Private Hospital and Mater Private Hospital in Redlands. He is involved in the teaching of orthopaedic surgeons in training, as well as medical students.

Whilst Dr Kennedy has a special interest in the hip and knee, he can give an unbiased, objective and balanced medical opinion on all orthopaedic conditions.
