SUMMARY

Dr Amanda Dore graduated from the University of Queensland in 1998 and completed specialist training in dermatology at the Royal Brisbane and Women's Hospital, the Royal Children's Hospital, Brisbane and the Princess Alexandra Hospital, Brisbane.

Dr Dore conducts comprehensive clinical assessments, interprets diagnostic investigations, performs dermatological procedures, and provides evidence-based care. Her clinical practice encompasses the assessment and management of inflammatory skin diseases, skin cancer, pigmentary disorders, paediatric dermatological conditions, and occupational skin disease.

Dr Dore has extensive experience in medicolegal dermatology and serves as Deputy Chairperson of the Dermatology Medical Assessment Tribunal.
