SUMMARY

Dr Glenn Davies graduated from the University of Queensland in 1990. After completing his orthopaedic training in Brisbane, he completed further fellowship training in knee and shoulder surgery in the United Kingdom. He followed this with an orthopaedic sports medicine fellowship at the University of Tennessee in the United States of America.

Dr Davies has presented at international meetings and he is a Member of the International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine.

Dr Davies' practice focuses on knee and shoulder surgery, with a special interest in arthroscopy of the knee and shoulder, as well as ligament reconstruction and joint replacement arthroplasty.

In his spare time, Dr Davies enjoys skiing, rugby and golf.
